

SASKATCHEWAN HOSPICE PALLIATIVE CARE ASSOCIATION

Proposed Mission and Vision Statements

AGM May 25, 2017

Current Mission Statement

Our mission is to strive towards achieving comfort and peace for persons across Saskatchewan living and dying with a terminal illness.

Current Vision Statement

The Association exists to promote the philosophy and the principles of Palliative care through networking, education, advocacy and research.

The Association is committed to education and public awareness of the need of the terminally ill: thus enabling and empowering communities to recognize the values, needs and wishes of persons in all seasons of life.

Proposed Mission Statement

The SHPCA advocates for Hospice, Palliative and Bereavement Care through networking, education and research.

Proposed Vision Statement

**Timely access to quality palliative care for all citizens of Saskatchewan;
empowering communities to recognize and support the values, needs and
wishes of persons in all seasons of life.**
