

Saskatchewan Hospice Palliative Care Association (SHPCA) MEMBERSHIP

Membership with the SHPCA entitles you to become a Canadian Hospice Palliative Care Association (CHPCA) Associate, lending a collective voice to reinforce that all Canadians have the right of access to comprehensive and coordinated hospice palliative care services regardless where they live.

Where does your membership have an impact?

Legitimacy:

Membership significantly enhances the overall power of the hospice palliative care movement.

Credibility:

Strength in numbers. The larger the membership base the more effective Associations are in the many aspects of their mandates, i.e. awareness raising, fundraising, policy development and provincial and national standards.

Effectiveness:

Membership allows for the pooling of resources to create a hospice palliative care system to serve all Canadians.

Benefits:

- Subscription to SHPCA's quarterly newsletter SEASONS, and the CHPCA's quarterly newsletter AVISO
- Support the ongoing development of the hospice palliative care movement in the province and Canada
- Contribute to the development of health policy and position statements
- Access to networking, educational opportunities and resources in the province
- Discount to SHPCA's Marketplace, and access to CHPCA's Interest Groups (there are 8 interest groups)
- Voting Privileges at the provincial Annual General Meeting
- Eligibility for election to the SHPCA Board of Directors,
- Discount to the CHPCA annual conference and other nationally sponsored events
- Associate Members logo and information added to the SHPCA Affiliate Website Page
- Eligibility to apply for the Dr. Zach Thomas Education Award.
- Founding members of the Compassionate Care Coalition of Saskatchewan

MEMBERSHIP APPLICATION

The SHPCA welcomes both individual and Affiliate membership to the Association. An Affiliate member is either an organization that is interested in the supporting hospice palliative care but not actively involved in its delivery, or a palliative care program that is actively engaged in the delivery of hospice palliative care.
